

Hadleigh Infants and Nursery School

Newsletter No 8 - 3rd November 2023

Message from Mrs Fynn

The weather outside may have been wet this week but that doesn't seem to have dampened the children's enthusiasm to return to school. I have seen some lovely examples of learning from across the school this week.

Today at Hadleigh Infants and Nursery School has been outdoor classroom day (postponed due to the storm). All children have been exploring the pond area and meeting mini-beasts. For our Nursery and Reception children every day is an outdoor classroom day. Today, the Nursery have also had their snack outside (they made edible sparklers) and some of them noticed a sneaky squirrel snacking on their pumpkin. Reception paid special attention to sounds in the environment and decided to add to those sounds by making musical instruments from natural resources that they found. Year 1 have been undertaking lessons like maths and literacy outside by using natural resources to support counting and number and letter formation. They also used natural resources to create pieces of art by printing. Year 2 have also been demonstrating their addition and subtraction skills outside using objects from the environment, exploring shadows and movement, exploring the impact of the seasons on our plants and trees and making mini best hotels.

If you haven't booked your parent consultation meeting yet please do, the teachers are all looking forward to speaking to you about your children.

Sometimes, talking to people who share similar experiences to yours means you're more likely to feel understood and get the support you need.

Autism central is here to help!

The Autism Central Peer Education Programme is for parents, carers and Personal Assistants of autistic people of any age. They do not need a diagnosis to access the service.

Support is provided by parents and carers of autistic people who are happy to share their knowledge and experience with others.

What we can offer:

- A constantly growing range of information and guidance is available on the Autism Central website: www.autismcentral.org.uk
- Weekly online group sessions—some are 'drop-ins' where parents/carers/PAs can discuss any topics relating to autism. Others are based on common themes such as sensory processing, anxiety and much more. These sessions can be booked on the Autism Central website.
- 1:1 support via a telephone or Teams call. 1:1 support can be requested via the QR code below.
