Dear

School Admission Transfers for Year 3 – September 2018

We are writing to inform all parents whose children are in year 2 about the admission arrangements for transfer to year 3. The process is changing this year so please read carefully.

Is your child in year 2 at an infant school?

All children in year 2 that are in an infant school **must apply** for transfer to year 3 in 2018. This is the law and there is no longer an automatic transfer to the junior school. A summary information sheet is provided overleaf.

Is your child in a primary school?

If you are continuing in the same primary school you will **not** need to apply. If you wish to change schools for year 3 you need to submit an application by the 15th January 2018.

If you are a resident in Southend and pay council tax to Southend-on-Sea Borough Council you can make an application by using the Council on-line facility at: www.southend.gov.uk/admissions if you are not a resident please submit an application to your home authority.

Alternatively you can request a paper copy of the application by contacting the schools admissions team on 01702 212934 or via email to admissions@southend.gov.uk.

The School Admissions Team will be available to assist parents and answer any questions on Thursday 28th September 2017 in Committee Room 1 at the Civic Centre, Victoria Avenue, Southend-on-sea at 6.00-7.00 pm. All are welcome to drop in and you can book a place on

<https://www.eventbrite.co.uk/myevent?eid=36825307486>

The closing date for both on-line and paper applications for **Reception year and Year 3 is 15th January 2018.**

Yours sincerely
