

Hadleigh Infants and Nursery School Newsletter No 23 - 15th March 2024

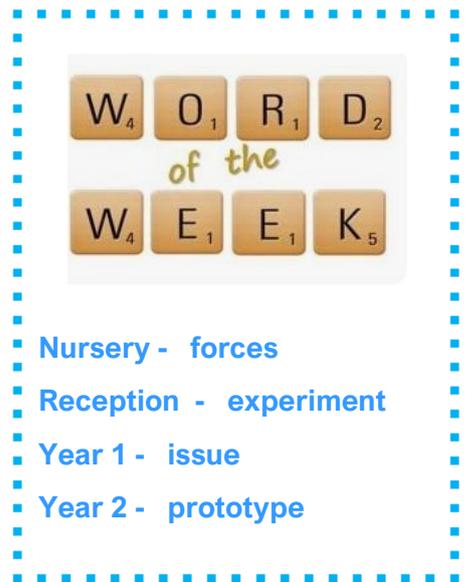

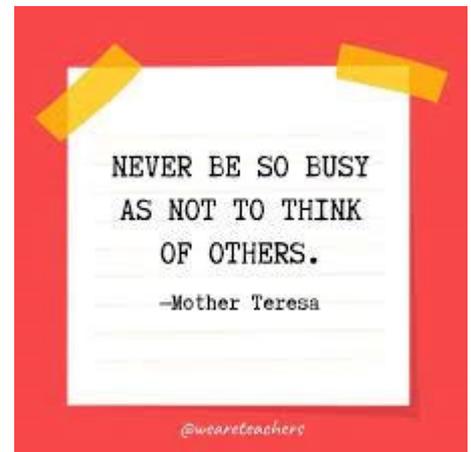

Message from Mrs Fynn

This week we have been celebrating National Science week with lots of investigations. The children have really loved getting hands on with their learning (and sometimes more than a little messy). I loved joining Explorers to make gloop and watch how the heat of our hands changed the state of matter from a solid to a liquid. Reception had great fun watching different materials react to each other making volcanoes and 'dancing raisins'. Year 1 have also been exploring materials making boats, this will continue in to next week. Year 2 have been exploring light, dark and how shadows change.

I have also seen some fantastic Design and Technology Lessons taking place this week. Year 2 have, for example been making Ferris wheels.

Also this week Miss Stevenson and Mrs Banham took a group of Year 1 and 2 children to the SEESMA Infant Music Festival in Westcliff. This was a showcase event in which schools from the local area performed songs. The children were a credit to the school and Miss Stevenson returned to school full of praise for them. Well done everyone involved!

Next week sees the final week of the Nursery 'bring your grown up to lunch' event arranged by our fantastic catering team. We are in the process of finalising dates for the Year 1 'bring your grown up to lunch' and hope to provide details to you early next week.
