<u>Wednesday</u> – Cheese and Bacon potato Skins or Cheese potato Skins

<u>Thursday</u> – Tomato Bolognaise Pasta or Tomato and Basil Pasta

<u>Friday</u> – Fish Fingers or Quorn Dippers, Chips and Mixed Vegetables

This Week's News:

Foundation Open Day -

In the current times we find ourselves in, it is very difficult for schools to complete their more traditional open day sessions. As part of our way to welcome new parents into our school, the school will be holding a virtual tour on Friday 30th October at 1:30pm. During this tour, viewers will have a chance to see the school, meet members of staff and have the opportunity to ask questions. In addition to this virtual tour we will also be able to offer some external tours. We have also created a new section on our website for potential new parents.

https://www.hadleigh-inf.essex.sch.uk/web/join_hins

This section of the website will contain information linked to:

- The School's Open Day Information (Virtual Tour and External Tours);
- Information linked to how and when to apply for a place at HINS ;
- A set of testimonials from parents, visitors and staff ;
- And information about how you can request documents such as the school's prospectus.

All of these details and much more are on our Facebook page. If parents could share these posts as much as possible on other groups hopefully we will be able to reach as many new potential parents to join us at HINS. Thank you in advance for your support.

This Week's News Continued…

Dogs -

Unfortunately, it has been brought to my attention that on Thursday there was an incident involving one of our children and a dog. I would like to remind all parents that dogs are not permitted on the school site and should not be attached to the school fences or grounds. This is to ensure that all of our children, families and staff are kept safe at all times. I would like to thank you all in advance for playing your part in keeping our school community safe.

School Menu -

We have a new menu offer for the next half term leading up to Christmas, we hope the children will enjoy the new selection on offer. The menu can be found on our school website https://www.hadleigh-inf.essex.sch.uk/web/kool_kids_cafe/318495

E-Safety

Alongside Computing sessions, we teach many aspects of E-Safety to the children. These aspects are taken from the UK Council for Internet Safety document 'Education for a Connected World' E-Safety is taught through specific sessions and during other subjects where technology is being used.

As a school, we have created a 'SAFE' motto which is taught to all children from Nursery through to Year 2. Each letter of the word 'SAFE' refers to a rule/guidance on how to be safe when using technology and going online. The motto embodies the main points that we want the children to be aware of and to discuss when thinking of E-Safety.

The image below has been taught to the children and is shared at the beginning of all Computing sessions. Some of the children have come up with songs and actions to help them remember. As well as teaching the children to be 'SAFE' in school, we also encourage the children to think about how they may use technology/the internet at home and knowing what to do to be 'SAFE' can also be applied when they at home.

Ask your child if they can remember some of the rules to keep safe when using technology and online.

If you'd like any more advice on E-Safety, then please access the school's website pages related to E-Safety which can be found here https://www.hadleigh-inf.essex.sch.uk/web/esafety or message your child/children's class teacher via Seesaw.

E -Safety (Electronic Safety)

Secure - keep personal information safe and private.

Ask - an adult before using technology or the internet. Ask an adult if something pops up on the screen. Check with an adult before you post anything online.

Feelings - be respectful to yourself and others and speak to an adult if you feel worried, upset or you need help.

Enjoy - have fun learning and playing!
