This Week's News:

Mrs Davison's maternity leave begins today. I am sure you will join me in wishing her and her family all the best for the coming months.

Reception are looking for donations of small world toys. If you have any unused/unwanted toys such as; Playmobil, Lego, Happy Land ,dolls houses, wooden train sets or construction sets please bring them into school. Any donations will be greatly received, please leave them with Mrs Reader, they will then be distributed to the Reception classes. Thank you.

The children and staff are doing very well with the daily K, collectively we have already covered a distance of 2936km. That's further than travelling from Land's End to John o' Groats and back again! This is a fantastic achievement and I am pleased with the progress we are making around the world! Only 37,139km left to go! I will keep you informed about our future progress in the next few weeks.

Reminder - The new clubs will begin next week. We had a very positive response, receiving in excess of 150 replies. By adding an additional day we have managed to accommodate almost all of the children. Those that did not manage to secure a space this term will be given first refusal next term.

You would have received a letter regarding parents' evening yesterday, the dates for the first parents' evening will be Thursday 11th and Tuesday 16th October. Please complete the reply slips and return to your class teacher as soon as possible. You will then be advised of your allocated time.

This term's Year 1 Parent Workshop will be on Wednesday 18th October @ 2.30pm. The topic will be fine motor skills and handwriting. The dates for Nursery, Reception and Year 2 will be published shortly.
