

# Hadleigh Infants and Nursery School Newsletter No 19 - 9th February 2024

## Message from Mrs Fynn

This week we have been celebrating Children's Mental Health Week. We have had several visitors including the NHS Mental Health Support Teams who lead an assembly focussed on all emotions being ok. They are looking forward to coming in after half term to work with children in classes.

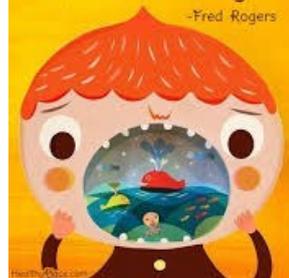

We also welcomed local charity HARP in to share information about the work they do in the local community. Our 'Have a Heart for HARP' non uniform day donations will go directly to the Charity to help them to continue with the valuable work they do to support homeless people locally.

Safer Internet Day also happened this week. As part of our computing curriculum we teach e-safety throughout the year but we also take advantage of Safer Internet Day to highlight the importance of staying safe online and knowing what to do if you experience anything that makes you feel uncomfortable. If you need any support in setting appropriate filters on your child's devices please do let us know and we will be able to send you some links to help with this or talk you through it.

Thank you to all of the Reception parents who joined us for lunch this week, I know that the children really enjoyed sharing the experience. We are currently in the process of arranging dates for parents of other classes to join us. When they have been finalised we'll share them on Dojo.

When we can talk  
about our feelings,  
they become  
less overwhelming,  
less upsetting,  
and less scary.

-Fred Rogers

Nursery - selfie

Reception - mental health

Year 1 - previous

Year 2 - mindful
