

# Hadleigh Infants and Nursery School

## Newsletter No 27 - 26th April 2024

### Message from Mrs Fynn

This week the children were very enthusiastic in their learning about Earth day and sustainability. I overheard many a conversation while standing on the gate this week with the children explaining the importance of recycling plastic to their parents as they left for the day.

Years 1 and 2 also had the excitement and challenge of the scooter/ skateboard workshops. We love giving the children opportunity to create lasting positive memories of their infant school experience.
