June 2022

Dear Parents and Carers

Seesaw Parent Permission 2022-2023

We will once again be using Seesaw with the children during the academic school 2022/2023. Seesaw is a secure online journal where students can document and reflect on what they are learning in class. In Nursery and Reception, Seesaw will be used by the adults initially to document their learning. As the children progress, they will be taught how to use Seesaw themselves, to upload work/complete activities. In Year 1 and 2, the children will continue to learn how to use Seesaw independently. This way, the children have the opportunity to learn and practise many of the Computing skills from the curriculum as well as it being a great way to document their learning across all subjects. Seesaw is also a valuable tool to use to ensure that all children have the opportunity to access learning in different ways. We may also need to use Seesaw throughout the year to provide additional home learning opportunities.

Seesaw is also a valuable tool to use to ensure that all children have the opportunity to access learning in different ways. We may also need to use Seesaw throughout the year to provide additional home learning opportunities if required.

For your child to use Seesaw, the app needs your child's first name and initial in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and does not advertise in Seesaw, create profiles of students or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy/>

Under an EU law called the General Data Protection Regulation (GDPR), for your child to use Seesaw, we must have your consent.

For more information on GDPR, please visit:

<http://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>

Please complete the form attached to provide your consent for your child/children to use Seesaw. If you consent to your child/children using Seesaw, you will also be given a family access code so that you can access your child's/children's journal. You will also be able to communicate with your child's/children's teachers using the messaging tool. This messaging facility can be used by parents to contact their child's/children's teacher between the hours of 8am-5pm Monday to Friday. Your child's/children's teacher will respond to any message as soon as they have time to.

Miss. K. Johnston (Computing Lead)

Seesaw Consent Form

2022-2023

Child's name: _____

I give consent for my child to be given a Seesaw account to use in school. Y/N
