This Week's News:

Year 2 Football - Well done to our fantastic year 2 football team who took part in a tournament on Tuesday. They won every game and ended victorious. The children showed determination and great team work and were a credit to the school. A huge thank you to Mrs Larn and Miss Runciman for all their hard work coaching the team, Mrs Diss for her help on the day and the parents for their continued support. I would like to ask that all of the children within the team bring their medals to school on Monday as we will present the team with their trophy in a special whole school assembly. This is the first time in many years the school has won a trophy for a sport other than gymnastics. I know everyone associated with the school will be just as proud as I am with this achievement.

World Book Day - On Thursday, we had a fun-filled day of reading, discussing the characters that we dressed up as and taking part in book related activities. The children were also treated to a delicious 'The Tiger Who Came to Tea' themed lunch. There are some wonderful photographs on our Facebook page. I would like to thank all of the families who took the time to create and buy costumes for the children - they were all fantastic!

Sports Relief - Next Friday, the school will be supporting the Sports Relief Charity event. As a school, we are asking children to come to school dressed in active wear - this doesn't need to be a specific colour. During the day, the children will complete a 3K challenge instead of our usual daily K. We are collecting for the charity and are asking children/families to make a voluntary contribution to the cause. Thank you in advance for your support.

E-safety - Each week we will be providing some information, from the NSPCC, regarding apps and games that children may access.

App Name: Miniclip

Official age rating: 13+

App information:

Miniclip is a free website that hosts a large collection of solo and multiplayer games that you can play on your mobile or computer. You can play against others, instant message people and comment on the games.
