### **This Week's News:**

#### **Christmas**

Unfortunately, with the current restrictions and no communication from the Government linked to what we will all be able to do and not do this Christmas, I feel it is our duty to ensure that Christmas, here at HINS, is as magical as we can possibly make it for the children this year. Below is a link to a letter where you will find all the information linked to a range of events that we will be completing during the month of December. It is my hope that the children have the best school Christmas experience they possibly can whilst still remaining safe.

### Children in Need -

Thank you to everyone who supported Children in Need, it was lovely to see lots of spots, ears and Pudsey t-shirts. I am very pleased to say that we raised £394.11! This will be sent to the charity to add to this year's fundraising amount. Children in Need is a fantastic charity which helps so many children and we are proud to be able to do our bit to help. Thank you to parents, children and staff from making the day such a success.

### Bedtime Stories -

Bedtime stories will continue to take place on **Wednesday 2nd December 2020**. This event will take place in classes. Children will be invited back during a staggered time slot and will take part in a shorter version of the event before the children leave the class following a staggered time slot. To take part in this event, the children will be invited to attend in their pyjamas and dressing gown with the option to bring slippers to change into. All children should be dropped off at, and collected from, their own classroom. The children will sit in their normal spaces and our COVID secure safe practices will continue as they have been for the rest of the year. During the event, they will have milk and cookies while listening to different stories. All children will leave with a special gift from the class teacher to mark the event. **There will be no charge for this event.**

If you would like your child to attend this event, please complete the online form before Friday 27th November. This form can be accessed using the link below or by accessing the online forms sections on the school's website.

### E-Safety

**E-safety** - Each week we will be providing some information, from the NSPCC, regarding apps and games that children may access.

For further information on this and other games please follow the link: <https://www.net-aware.org.uk/networks/?order=title>

Or alternatively you can find further guidance and support on the school's website: <https://www.hadleigh-inf.essex.sch.uk/web/esafety/>

**App Name:** Fortnite: Battle Royale

**Official age rating:** 12+

**App information:** Fortnite is a popular survival action game where up to 100 live players can fight each other to be the last one standing. The game includes heavy violence but with little blood or gore. You can talk to other players using public, private and voice chat.
